Remarks

Note: Remarks are not for responding to an office action.

All references listed in this information disclosure were listed on the search report for parent case PCT/US03/15291 and / or were cited by the examiner or submitted by applicants in the grandparent case US 10/063,841. Therefore, copies of these references need not be provided under 37 CFR 1.98(d) and MPEP 609 A(2). Furthermore, a "concise explanation of relevance" under 37 CFR 1.98(a)(3) and MPEP 609 A(3) for all of the references submitted by applicant - though optional for English-language references - has already been provided in connection with said parent cases. The relevance of these references to the present application is substantially the same as the relevance of these references to the parent cases, and so the concise explanations of relevance provided for these references as well as the examiner's remarks and search report from the parent cases will be relied upon for the present case as well, and will not be repeated herein. (See MPEP 609 A(2) and A(3)).
